River Elwy Beats 2 & 3 - Spring Gardens and Roe Park

Spring Gardens and Roe Park are a continuation of our Gypsy Lane beat, a mix of left and right bank. The Association leases these beats, about 1900m inc. Gypsy Lane, which take our fishing up to the A55 Bridge.

Beat grid references, moving upstream:

Spring Gardens:

RH Bank: SJ 03241 75375 to SJ 03196 75090

Roe Park:

LH Bank: SJ 03230 75386 to 03402 74880

RH Bank: SJ 03204 75089 to 03425 74888

Our Association agreed car parking area is shown on the map. Parking also available in St Asaph or at Gypsy Lane (see Beat 1 map)

Members Parking: Follow the sign for Spring Gardens Caravan Park off the A525, cross over the river and our parking area is immediately on your left. The designated area is clearly signed. It is vital that we park sensibly and with consideration for the other people who use these amenities, particularly when returning from night fishing.
